OBJECTIVE

I am seeking a professional opportunity that allows me to grow, develop new skills, and contribute effectively within a collaborative team environment. I am highly motivated, adaptable, and eager to take on new challenges that support both personal and organizational growth.

WORK EXPERIENCE

Stradivarius

Sales Associate

2024 - 2025

- Deliver fast and efficient customer service within the store.
- Help increase sales by talking with customers and offering them additional or better products.
- Assist the store manager in inventory management, marketing activities, stocking, and product organization.
- Maintain a clean, organized, and welcoming store environment.
- Respond to customer inquiries professionally and clearly.

Projects

- Graduation Project - Air Quality Monitor Using Arduino :
Monitored air quality using Arduino and sensors, displaying data via the Arduino IDE.
- Software Engineering Project - Pet Clinic Management System :
Designed a system to manage all veterinary clinic departments.
